BAUER, INC. (“BUYER”) OFFERS TO PURCHASE THE GOODS AND SERVICES DESCRIBED HEREIN EXCLUSIVELY UPON THE TERMS AND CONDITIONS CONTAINED HEREIN. BUYER RESERVES THE RIGHT TO REVOKE THIS ORDER WITHOUT NOTICE.

All special terms and conditions or supplemental attachments which are attached to or referenced in this Order are made a part of the contract between the Buyer and the Seller as though fully set forth herein; provided that, to the extent of any inconsistency or ambiguity, the applicable terms and conditions shall be resolved in accordance with Section 33 herein, entitled “Interpretation and Order of Precedence”.

1. ORDER ACCEPTANCE.

- a. This Purchase Order must be accepted in writing by Supplier (or “Vendor”) within ten (10) days of Supplier’s receipt hereof.
- b. If for any reason Supplier fails to accept this Order in writing, the shipment by Supplier of any Goods (or lots thereof) ordered hereby, the furnishing or commencement of any Services called for hereunder (including preparation for manufacture), or the acceptance of any payment by Supplier hereunder, or any other conduct by Supplier that recognizes the existence of a contract pertaining to the subject matter hereof, may, at Buyer’s election, be treated as an unqualified acceptance by Supplier of this Order and all terms and conditions hereof.
- c. Any terms and conditions proposed in Supplier’s acceptance or in any acknowledgment, invoice, or other form of Supplier that add to, vary from, or conflict with the terms herein are hereby rejected. Any such proposed terms shall be void and the terms and conditions of this Order shall constitute the complete and exclusive statement of the terms and conditions of the contract between the parties and shall apply to each shipment received by Buyer from Supplier hereunder, and such terms and conditions may hereafter be modified only by written instrument executed by an authorized representative of Bauer’s Purchasing Department and an authorized representative of the Supplier. In the event any such proposed terms would, if

accepted by Buyer, vary the liability or warranty, aspects of these terms then such proposed terms will be null and void unless the acceptance by Buyer is made in writing by a member of Buyer’s legal department.

- d. If this Order is issued by Buyer in response to an offer by Supplier and if any of the terms herein are additional to or different from any terms of such offer, then the issuance of this Order by Buyer shall constitute an acceptance of such offer subject to the express condition that Supplier assent to all such additional and different terms herein and acknowledge that this Order constitutes the entire agreement between Buyer and Supplier with respect to the subject matter hereof. Supplier shall be deemed to have so assented and acknowledged unless Supplier notifies Buyer to the contrary in writing within ten (10) calendar days of receipt of this Order.

e. By accepting this Purchase Order, Supplier understands and is aware of:

- (i) Its Contribution to product or service conformity
- (ii) Its Contribution to product safety
- (iii) The importance of ethical behavior

2. DELIVERY AND PERFORMANCE. Time is of the essence. Seller shall make deliveries in quantities and at time specified by the Buyer. Buyer shall have the right to refuse shipments made in advance of the delivery schedule set forth in this Order. If at any

time it appears that Seller will not make such schedule, Seller shall promptly notify the Buyer of the reasons for and estimated duration of the delay. If Buyer agrees to accept deliveries after the date of delivery has passed, Buyer shall have the right to direct the Seller to make shipment to the F.O.B. point set forth in this Order by the most expeditious means, and the total cost of such expedited shipment and handling shall be borne by the Seller. Acceptance of late deliveries shall not be deemed a waiver of Buyer's right to hold the Seller liable for any loss or damage resulting therefrom. Buyer shall not be liable for payment of goods delivered to Buyer in excess of quantities specified by Buyer. Buyer may from time to time change delivery schedules or direct the temporary suspension of scheduled shipments.

3. **PRICE WARRANTY.** Seller warrants that the prices charged the Buyer hereunder are no higher than prices charged others for similar quantities under similar conditions, and if Seller breaches this warranty, the prices of the goods and services supplied hereunder shall be reduced accordingly.

4. **INSPECTION, ACCEPTANCE & REJECTION.**

- a. Supplier shall provide and maintain, without additional charge to Buyer, an inspection system that complies with all specifications stated in this Order and, in the absence of such specifications, Supplier shall be required to provide and maintain without additional charge to Buyer, an inspection system, which is acceptable to Buyer and, if applicable, Buyer's customer.
- b. Supplier shall tender to Buyer for acceptance only Goods that have been inspected in accordance with the appropriate inspection system and have been found by Supplier to be in conformity with all requirements of this Order.
- c. As part of the inspection system, Supplier shall prepare records evidencing all inspections made under the system and the outcome of such inspections. These records shall be complete and made available to Buyer during performance of this Order and for as long afterward as required by this Order or applicable laws and regulations, but in no event shall such period expire prior to: (i) three (3) years after final payment, or (ii) final resolution of any dispute involving the Goods delivered hereunder, whichever is later.
- d. Buyer may perform reviews and evaluations as reasonably necessary to ascertain compliance with this Section. Such reviews and evaluations shall be conducted in a manner that will not unduly delay work under this Order. Further, it is recognized that despite such revisions, Supplier controls the day-to-day production, delivery and

associated documentation of its work, and therefore, Buyer's right of review, whether exercised or not, does not release Supplier of any of its obligations of testing, inspection, quality control and associated documentation.

- e. Buyer, the United States Federal Aviation Administration, the airworthiness authority or other certification agency of any other applicable country, and Buyer's customer shall have the right to inspect and test the material and workmanship of all Goods at all places and times including, when practicable, during the period of manufacture or provision of Services. If any such inspection or test is made on the premises of Supplier, Supplier shall furnish, without additional charge to any such party(ies) all reasonable facilities and assistance for the safe and convenient performance of the inspection or test.
- f. **Nonconforming Goods:** Notwithstanding (i) prior inspection, (ii) acceptance, (iii) payment for, or (iv) use of the Goods ordered hereunder, Buyer shall have the following rights with respect to any Goods that do not conform to all requirements of this Order, at Buyer's election, exercisable within the period provided in this Order or, in the absence thereof, within one (1) year following Buyer's receipt of the Goods called for hereunder:
 - (i) Buyer shall have the right to reject such Goods. All such rejected Goods shall be returned to Supplier at Supplier's risk and expense, transportation collect and declared at full value unless Supplier advises otherwise, for full credit or refund (at Buyer's option). The rejected Goods returned to Supplier shall not be replaced by Supplier except upon written instructions from Buyer. Rejected Goods shall not again be tendered to Buyer for acceptance without written disclosure of prior rejection(s); and
 - (ii) nonconforming Goods may be repaired by Buyer or a third party selected by Buyer, at Supplier's expense, or retained by Buyer at an equitable reduction in price at Buyer's election. Should Buyer elect to repair the nonconforming

Goods, all terms and conditions of this Order shall remain in full force and effect as to the Goods furnished by Supplier.

- g. Buyer's or any other party's inspection or test, acceptance, payment for, or use of the Goods ordered hereunder does not relieve Supplier from any responsibility regarding defects or other failures to meet the requirements of this Order.
- h. Buyer's rights under this Section shall be in addition to and shall not be deemed to diminish its rights under this Order including the section hereof entitled "Warranty" or under any other warranties, express or implied, provided by Supplier.

5. WARRANTY.

- a. Goods: Supplier warrants to Buyer, its successors, assigns, customers, and users of Goods sold by Buyer that all Goods provided hereunder or serviced per the workscope provided hereunder shall be: (i) merchantable, (ii) new (unless specifically agreed to in writing), (iii) free from defects in material and workmanship, (iv) with regard to Goods designed by Supplier, free from defects in design, (v) suitable for the particular purposes intended whether expressed or reasonably implied, (vi) in compliance with all applicable specifications, drawings, and performance requirements, and (vii) free from security interests, liens or encumbrances and of good title. Buyer's remedies with respect to this warranty shall not be limited, restricted or disclaimed in whole or part by any other provision of this Order. This representation and warranty is in addition to any other representations and warranties in this Order. These warranties shall survive any inspection, acceptance or payment by Buyer, and shall be for the benefit of Buyer, its successors, assigns, customers, and the ultimate users of the goods or services supplied hereunder.
- b. Services: Supplier warrants to Buyer that any Services or technical data provided by Supplier under this Order (i) have been performed or prepared in a professional and workmanlike manner and according to best industry standards and practices, (ii) are suitable for the purposes intended whether expressed or implied, and (iii) are in compliance with all applicable specifications and performance requirements.

- c. Delivery, inspection, test, acceptance or use of or payment for the Goods and Services furnished hereunder shall not affect Supplier's obligation under this warranty, and such warranties, and all other warranties, express or implied, shall survive delivery, inspection, test, acceptance, payment, and use.

6. REMEDIES FOR BREACH OF WARRANTY OR DELIVERY.

- a. Supplier agrees to correct defects in or replace any Goods or Services not conforming to Supplier's warranties promptly and without expense to Buyer, when notified of such nonconformity by Buyer, provided Buyer elects to provide Supplier with the opportunity to do so. Deliveries of corrected or replaced Goods or Services shall be accomplished promptly and shall be accompanied by written notice specifying that such Goods or Services are corrected or replaced Goods.
- b. In the event that Buyer incurs additional costs or Buyer's customer charges Buyer for additional costs related to a breach of Supplier's warranties or a breach of delivery terms by Supplier, Supplier agrees that Buyer shall have the right to:
 - (i) reduce the amount payable under this Order; including, without limitation; deduction or setoff pursuant to this Order; and
 - (ii) charge Supplier for additional costs or customer charges greater than the amount of this Order or otherwise not deductible against this Order.
- c. In the event of a breach by Supplier of any warranties or the failure of Supplier to correct defects in or replace nonconforming Goods promptly, Buyer may recover, in addition to compensatory damages, any and all other damages allowed by law.
- d. Supplier acknowledges that Buyer may recover all damages or costs it incurs as a result of or relating to Supplier's breach of any warranties or the failure of Supplier to correct defects in or replace nonconforming Goods promptly. While Buyer may have available to it contractual or other limitations with respect to its own customers,

Buyer may in some instances decide to provide corrective Goods and/or Services, and/or reimburse such customers for quality issues, losses and for damages beyond Buyer's strict contractual or legal obligations. Where such corrective action payments and/or expenses by Buyer result from or are related to defects or failures by Supplier in Supplier's Goods and/or Services, Buyer may recover for such corrective action, payment and/or expenses from Supplier.

7. **TITLE AND RISK OF LOSS.** Title to all goods supplied hereunder shall remain in Seller until delivery to, and acceptance by Buyer as defined in paragraph 8 herein. The risk of loss of, or damage to the goods shall be upon Seller until they are accepted by the Buyer.

8. **INVOICING AND PAYMENT.** Each shipment/delivery shall be accompanied by a Seller generated Packing List referencing this Order and itemizing the individual part numbers and corresponding serial numbers. Individual invoices shall be issued by Seller corresponding to and referencing the applicable Seller Packing List and Order number, and likewise itemizing the individual part numbers and corresponding serial numbers with line item pricing. In no event shall Seller issue an Invoice in advance of actual delivery/shipment. No invoices shall be payable unless goods or services have been received and accepted by Buyer. No interest, finance or services charges shall be payable on the goods/services supplied hereunder. Buyer shall be entitled to a full cash discount on invoices bearing discount terms. Rejections, delay in delivery or delivery in advance of delivery date shall be considered just cause for Buyer withholding payment without loss of cash discount privilege. Unless otherwise expressly specified on the face of the Order, the price of goods supplied under this Order shall include all charges for Seller's packing, crating, handling and transportation to F.O.B. point; the amount of any such charges shall be shown separately on Seller's invoice.

9. **TAXES.** The price of the goods or services supplied hereunder includes all federal, state and local sales, use and similar taxes. The amounts of any such taxes shall be shown separately on Seller's invoice.

10. **SETOFF.** All claims for money due or to become due from Buyer shall be subject to deduction or setoff by the Buyer and at the sole discretion of Buyer, by reason of any counterclaim arising out of this Order or any other transaction with the Seller.

11. **INSPECTION.** Seller shall permit inspectors of the Buyer, Buyer's customers (including the United States government) or other Buyer designees to have access to the Seller's plant at all reasonable times for the purpose of inspecting any goods supplied hereunder or work in process for production of such goods, and to conduct preliminary tests on work in process. All goods, except goods inspected and accepted by the government in place, shall be

received subject to Buyer's inspection and rejection at Buyer's plant or other such places designated by Buyer, notwithstanding prior inspections. Title shall not be deemed transferred on any defective goods or goods otherwise not conforming or fulfilling Seller's warranty (express or implied) with respect to this Order (collectively "Defective Goods"), and hence no payment, including freight, shall be due with respect to the same. Defective Goods shall be held for Seller's inspection and at Seller's risk, and if Seller so directs, shall be returned at Seller's expense, and in addition to Buyer's other rights, Buyer may charge Seller all expenses for unpacking, examining, re-packing and reshipping Defective Goods. No Defective Goods shall be repaired, reprocessed or reworked by Seller without the prior express written consent of Buyer. Buyer reserves the right to approve all such repair, reprocess and/or rework procedures in advance. Any payment by Buyer shall not be construed as an acceptance of Defective Goods. Nothing contained herein shall relieve Seller from its obligations of testing, inspection, quality control and warranty.

12. **CHANGES.**

- a. Buyer may, at any time and without notice to third parties, including sureties (if any), unilaterally make changes within the general scope of this Order, including, but not limited to, changes in whole or part and to any one or more of the following: (i) shipping or packing instructions, (ii) place of delivery, (iii) any drawings, designs, or specifications, (iv) the statement of work, (v) the method or manner of performance of the work, and (vi) Buyer-furnished property, facilities, equipment, materials, or Services. No change will be binding on Buyer unless issued in writing by an authorized representative of Buyer's purchasing department.
- c. If any change under this clause causes an increase or decrease in the cost of or the time required for performance, an equitable adjustment shall be made in price or delivery schedule or both, and the Order shall be modified in writing accordingly. Any claim by Supplier for

adjustment, must be submitted in writing in the form of a complete change proposal, fully supported by factual information, to Buyer's purchasing department not later than ten (10) calendar days after the date of receipt by Supplier of the change order, or within such extension of that fifteen-day period as Buyer, in its sole discretion, may grant in writing at Supplier's request; provided, however, that Buyer may in its discretion consider any such claim regardless of when asserted, except that no claim for equitable adjustment hereunder shall be allowed if it is asserted after final payment of this Order.

- d. If the cost of property or material made obsolete or excess as a result of a change is included in Supplier's claim for adjustment, Buyer shall have the right to prescribe the disposition of such property or material.
- e. Notwithstanding any pending claims for adjustment submitted by Supplier, Supplier shall diligently proceed with the performance of this Order, as directed by Buyer, and nothing herein shall be construed as relieving Supplier of its obligations to perform, including without limitation the failure of the parties to agree upon Supplier's entitlement to, or the amount or nature of, any such adjustment.

13. TERMINATION.

a. Termination for Default: Buyer may in its sole discretion terminate this Order in whole or in part where (a) Seller refuses or fails to comply with any of the provisions hereof which refusal or failure has not been cured within a period of ten (10) days after receipt of written notice of the same from Buyer; (b) Seller becomes insolvent, or makes a general assignment for the benefit of its creditors or files or has filed against it a petition in bankruptcy or for reorganization, or pursues any other remedy under any other law relating to the relief of debtors, or in the event a receiver is appointed for Seller's property or business.

b. Termination for Convenience: This Order may be terminated by Buyer in whole or in part at any time at its option in whole or in part for its convenience without penalty to Buyer, by giving written notice to the Seller. After receipt of such notice, unless otherwise directed by the Buyer, Seller, (a) shall immediately terminate all work under this Order; (b) shall transfer title and deliver to Buyer all (i) completed goods, (ii) goods in process, and (iii) materials produced or acquired in connection with such goods, which goods and/or materials conform to the requirements of this Order, do not exceed the quantity authorized by Buyer, and cannot otherwise reasonably be used by Seller; and (c) shall take all action necessary to protect

goods and materials in Seller's possession in which Buyer has or may require an interest. Buyer shall negotiate in good faith with Seller to determine the fair and reasonable value of the tangible assets Seller delivers to Buyer, to the extent authorized by the Order, to determine the amount, if any, due Seller with respect to such termination of this Order and such determination shall be final.

14. **BUYER'S MATERIALS.** Any materials, including but not limited to documents, tools, molds, dies, gauges, jigs, fixtures and patterns, furnished by Buyer (hereinafter "Buyer-Furnished Items") in connection with this Order shall be (a) held by Seller as bailee for hire for use exclusively in filling Buyer's orders, (b) kept separate and clearly identified by Seller as Buyer's property, and (c) fully insured by Seller in an amount equal to the replacement cost thereof with loss to be paid to the Buyer. Any Buyer-Furnished Items and any Buyer-Funded Items shall be used only for and in the performance of this Order unless otherwise directed by Buyer in writing. Notice of loss or damage shall be provided by Seller to the Buyer within seven (7) calendar days of the occurrence of the loss or damage. All such materials furnished by Buyer which are not consumed in the performance of this Order shall be returned to Buyer at Buyer's direction. Seller waives and releases Buyer from, and Seller shall defend, indemnify and hold harmless Buyer from and against all claims of injury or damage to Seller, its employees and/or others, arising out of or in connection with the presence or use of such materials, whether such injury or damage is caused by defects in such materials, Buyer's negligence or that of its agents or employees, or otherwise.

16. **DRAWINGS, CONFIDENTIAL INFORMATION AND INVENTIONS.** All drawings, prints, samples, tests and reports, if and as required, shall be supplied by Seller without charge. Buyer shall have the right to use for any purpose unpatented information supplied by Seller if such information is supplied without written restriction regarding the use or disclosure of the same. Seller shall not use or disclose any drawings, prints, samples, tests or reports or other confidential information supplied by Buyer, whether or not designated as such, except as reasonably required to fulfill this Order. Nor does this consent authorize infringement of any Buyer patent or modification of the terms of any Buyer patent license to Supplier; use of Buyer quality assurance of engineering support services in performing a purchase order from any customer other than Buyer; or use of any Buyer-supplied raw material, semi-finished or finished parts to perform any purchase order from a customer other than Buyer.

b. Disposition of Scrap or Surplus Goods Manufactured Using Buyer's Proprietary Information.

c. Audit and Inspection.

Buyer shall have the right to audit all pertinent books and records of Supplier, and to make reasonable inspection of Supplier's premises, in order to verify compliance with this Section 16.

17. INDEMNIFICATION. Except where goods are to be provided from specifications, designs, or processes furnished by the Buyer, Seller shall defend, indemnify and hold harmless Buyer from any loss or damage sustained by, and from and against all claims asserted against Buyer arising from any alleged infringement of any trademark, patent, copyright or other proprietary right, by

reason of the sale or use of goods and/or services supplied hereunder and if any of these goods or services or any part thereof is held to constitute infringement and its use is enjoined, Seller shall at its own expense either procure for Buyer the right to continue to use such goods or services or part thereof or replace them with non-infringing goods or services.

Seller shall defend, indemnify and hold harmless Buyer from and against any claims asserted against it for injuries or damage to property arising in whole or in part from any act or omission of Seller, its agents, servants, employees, representatives or subcontractors with respect to the goods or services supplied hereunder, including those claims arising in whole or in part out of the negligence of Buyer. In performance of its obligations under this Order, Seller shall comply with all applicable executive orders, federal, state, municipal and local laws, rules, orders, requirements and regulations, including but not limited to the Fair Labor Standards Act of 1938, as amended, and the Williams-Steiger Occupational Safety and Health Act of 1970, as amended, together with all standards and regulations issued or adopted pursuant thereto. Seller's acceptance of this Order and supplying of goods and services hereunder shall constitute certification by Seller of such compliance. Any permits or licenses which may be required for performance by the Seller hereunder shall be obtained by Seller at its cost and expense. Seller shall furnish Buyer with certificates and other evidence of compliance upon Buyer's request.

Seller shall upon delivery of goods supplied hereunder, provide Buyer with material safety data sheets (MSDS) or any essentially similar form approved by the Buyer setting forth the type and quantity of all hazardous substances, as defined in appropriate federal, state and local laws and regulations, contained in such goods. All such insurance policies will be primary in the event of a loss arising out of the Supplier's performance of work. Certified copies of said policies or certificates evidencing such insurance and naming Buyer as an additional insured shall be provided to Buyer upon request within 30 days after the date of this Order and within a reasonable time after any renewals or changes to such policies are issued.

c. When Supplier's subcontractors will also be performing services on Buyer's premises, Supplier agrees to insert the substance of this provision in all subcontracts entered into by Supplier to support work performed under this Order.

21. FORCE MAJEURE. incorporated by reference and made a part of this Order; provided, however, that appropriate revisions of these clauses shall be deemed to have been made so that, for example, references to "contracting officer" or "government" shall apply to the Buyer, and references to the "contractor" shall apply to the Seller as appropriate to the intent of each clause used in the government contract. Supplier recognizes that when Buyer is acting in its capacity as a government contractor, Buyer is subject to all statutes, executive orders, regulations, procedures, and rules applicable to government contractors. If, during the performance of this Purchase Order, the government determines that Buyer or its affiliates, as a government contractor, must amend this Order to include any sections or requirements different from or in addition to the sections or requirements expressly set forth herein, Supplier agrees to amend this Order to incorporate such additional government clauses or requirements as may be pertinent to this Order.

23. LIMITATION ON BUYER'S LIABILITY; STATUTE OF LIMITATIONS. IN NO EVENT SHALL BUYER BE LIABLE FOR ANTICIPATED PROFITS OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR FOR DAMAGES IN THE NATURE OF PENALTIES; BUYER'S LIABILITY ON ANY CLAIM OF ANY KIND FOR ANY LOSS OR DAMAGE ARISING OUT OF OR IN CONNECTION WITH OR RESULTING FROM THIS CONTRACT OR THE PERFORMANCE OR BREACH HEREOF SHALL IN NO CASE EXCEED THE PRICE ALLOCABLE TO THE GOODS OR SERVICES OR PART THEREOF THAT GIVES RISE TO THE CLAIM. ANY ACTION RESULTING FROM ANY BREACH ON THE PART OF BUYER AS TO THE GOODS OR SERVICES SUPPLIED HEREUNDER SHALL BE COMMENCED WITHIN ONE (1) YEAR AFTER THE CAUSE OF ACTION HAS ACCRUED.

24. NOTICE OF LABOR DISPUTES. Whenever an actual or potential labor dispute is delaying or threatens to delay the timely performance of this Order, Seller shall immediately give notice thereof, including all relevant information with respect thereto, to Buyer. Seller shall insert the substance of this paragraph in any contract with any subcontractors affecting the goods or services supplied hereunder except that each such subcontractor shall provide that in the event its timely performance is delayed by any actual or potential labor dispute, the subcontractors shall immediately notify Seller of all relevant information with respect to such dispute.

26. NOTICES. Notices supplied hereunder shall be deemed to have been duly given if delivered or mailed first class, registered mail, postage prepaid or via any overnight courier, to the addresses set forth on the face of this document or to such other address as is reasonably appropriate.

27. MISCELLANEOUS.

- a. This contract constitutes the entire agreement between the parties relating to the goods and services supplied hereunder.
- b. No modification of this contract shall be binding upon Buyer unless made in a writing signed by Buyer's duly authorized representative.
- c. Seller shall not, in whole or in part, assign, subcontract or delegate its rights and obligations under this contract without the prior written consent of Buyer; any reference to subcontractors elsewhere in this Agreement does not constitute a waiver of Seller's obligations to obtain the prior written consent of the Buyer as aforesaid.
- d. No waiver by Buyer of a default shall be deemed a waiver of any subsequent default nor any Buyer right and/or remedy hereunder.
- e. Captions, as used herein, are for convenience of reference only, not of substantive significance, and shall not be construed to limit or extend the language of the provisions to which such captions refer.

28. SHIPPING.

- a. Unless otherwise expressly agreed to in writing this Order shall be interpreted in accordance with the plain English meaning of its terms and the construction thereof shall be governed by the laws of the State of Connecticut, USA, without regard to conflicts of law principles. Services shall be deemed to be goods for the purposes of this paragraph (i.e., the application of governing law). Trade terms and usage of industry shall be taken into account understanding the intent of the parties in relation hereto. Buyer may, but is not obligated to, bring any action or claim relating to or arising out of this Order in the appropriate court in the jurisdiction described in (a) above, and Supplier hereby irrevocably consents to personal jurisdiction and venue in any such court, hereby appointing the pertinent Secretary of State or other applicable government authority as agent for receiving service of process.
- b. Any action or claim by Supplier with respect hereto shall also be brought in the appropriate court in the jurisdiction described in (a) above, if Buyer so elects. Accordingly, Supplier shall give written notice to Buyer of any such intended action or claim, including the intended venue thereof, and shall not commence such action or claim outside of such jurisdiction if Buyer, within thirty (30) days from receipt thereof, makes its election as aforesaid. 33. INTERPRETATION AND ORDER OF PRECEDENCE. Any inconsistency or ambiguity in this Order shall be resolved by giving precedence in the following order:

1. Any written changes to terms of the Order or any long term agreement incorporated by reference in the Order, as mutually agreed to in writing in any Order (however, if such changes would alter the liability or warranty aspects of these terms, then such proposed changes will be null and void unless their acceptance is signed by an attorney in Buyer's Legal Department);

3. Terms entered on an Order by Buyer that are specific to that Order and are not incorporated in these standard Order terms and not incorporated by reference in the Order;
4. Other terms contained in any long term agreement or other specific terms agreement agreed to by both parties in writing and incorporated (including incorporation by reference) in the Order or supplement;

Supplier agrees that the Warranty, Remedies for Breach of Warranty or Delivery, Indemnification, Inspection of Records, Intellectual Property Rights, Cumulative Remedies, Offset, Patent Infringement and Protection of Proprietary Information provisions of this Order and all provisions which relate to claims which may be made by Buyer under this Order shall survive and continue in full force and effect upon the termination of this Order, unless otherwise agreed to in writing by a duly authorized representative of the Supplier and an attorney in Buyer’s Legal Department.

37. NO WAIVER. Buyer’s failure to seek a remedy for any breach by Supplier or Buyer’s failure to insist on performance of any of the terms or conditions herein or to exercise any right or privilege hereunder shall not thereafter be deemed a waiver for any such terms, conditions, or privileges or any other terms, conditions, or privileges whether of the same or similar type.
